Informal ruling on Caballero cites due process standard

The family garden of Mr. and Mrs. John D. Coleman not only supplies fresh garden vegetables for the family, but also is a source of summer money for their 12-year-old

daughter Susan. What the family doesn't need, Susan sells. Presently, Susan is selling squash, cucumbers, rhubarb, honey dew melons and butternut squash.

A representative of the Texas Attorney General is expected to tell West Texas State University regents Saturday to give Dr. Emilio Caballero access to channels assuring due process.

Donald R. Curry, secretary of the board, said the representative is tentatively scheduled to meet with regents Saturday morning on the WTSU campus to discuss the February resignation of Caballero, chairman of the art department for more than 20 years.

Regents have scheduled an executive session following what is expected to be a short agenda during the special called meeting.

Curry said the executive session is scheduled for continued discussion of the Caballero resignation, a resignation he denounced as coerced during a June regents meeting. Caballero called during that meeting for a full hearing on his resignation, claiming university administrators forced him to resign as

department chairman.

Curry said an informal opinion rendered by the attorney general's office indicates Caballero should be given access to hearings before an impartial panel if regents should decide to accept Caballero's resignation withdrawal.

A formal opinion on the case will not be rendered, Curry said, because "there was not a sufficient amount of facts developed for them to issue an opinion."

Regents had appointed a committee during their June meeting, after hearing Caballero's charges of coercion, to seek an attorney general's opinion on what procedure they should follow since Caballero had rendered a resignation in February and that resignation had been okayed by regents later in the spring before the art department chairman recanted and asked that his resignation be withdrawn and that he be restored as chairman.

Caballero has charged that he

was arbitrarily forced to resign and was not given reasons for the forced action by administrators.

Curry said the attorney general's representative is expected to tell regents Saturday that a recent federal case involving the dismissal of an untenured instructor at Prairie View A&M University is controlling in the case of the Caballero resignation.

The case, William C. Ferguson vs. Alvin I. Thomas et al., established minimal channels of due process upon dismissal.

In the case, according to the federal reporter, Ferguson, a professor of business administration, was dismissed from the faculty in 1967 and the university's president outlined in a letter to Ferguson the reasons for his dismissal.

The United States Court of Appeals, Fifth Circuit, found that "when a teacher who is terminated for cause opposes his termination, minimum procedural due process requires that:

(a) he be advised of the cause or causes for his termination in sufficient detail to fairly enable him to show any error that may exist,

(b) he be advised of the names and the nature of the testimony of witnesses against him,

(c) at a reasonable time after such advice he must be accorded a meaningful opportunity to be heard in his own defense,

(d) that hearing should be before a tribunal that both possesses some academic expertise and has an apparent impartiality toward the charges."

University administrators are apparently preparing Saturday to establish just such a procedure. An agenda item for the regents session calls for establishment of a committee to review appeals by non-renewed administrative personnel of the university.

University officials have not revealed the reasons for the resignation or alleged dismissal of Caballero as art department

chairman. A press release put out by the university news service in February said the resignation was voluntary.

Other items scheduled for regents consideration Saturday include naming Dr. Dan White as acting dean of the College of Education during the period the university searches for a new dean. Dr. Jim Kidd resigned as dean to take a position with the Texas Education Agency two weeks ago.

Dr. Hazel Aslakson, chairman of the department of nursing, will be named dean of the School of Nursing in regent action. The Coordinating Board, Texas College and University System approved redesignation of the department as a school during spring action.

Regents will also consider approval of a construction contract for building the Nance Ranch pavilion, destroyed by fire a week ago. Emergency state funds were allocated by legislators for the (See RULING, Page 5)

Burglars hit ten farms

Daylight burglars have taken nearly \$10,000 worth of appliances and household goods from ten rural farm homes in Randall County since July 21.

Sheriff Cliff Longest said deputies are talking with three men arrested by Amarillo police Tuesday in connection with the burglaries.

The burglars hit farm homes primarily in the northern portion of the county during the afternoon hours July 21, last Friday and Sunday and Monday.

Primary target for the burglars was colored television sets and stereo record players.

Longest said it appears the same group of burglars is responsible for all ten burglaries. Deputies are looking for a late model blue and white automobile in connection with the crimes. The car was seen by passers-by at least two burglary locations.

The residence of Tony Thomas northeast of Canyon was burglarized between 7:30 a.m. and 6 p.m. July 21. A television set and several firearms were taken.

The Charles Alford residence, northeast of the city, was hit also on July 21 during the daylight hours. A radio-tape deck and record player were taken from the residence.

Last Friday, the burglars broke into the home of Walter Cantrell north of Canyon on Hope Road, and took three watches, 12 firearms, a color television and three black-and-white televisions, a stereo record player, clock radio, sewing machine, mixer and five silver dollars.

Three residences were hit Sunday.

The Tom Gerald home northwest of the city was burglarized between 3 p.m. and 6:40 p.m. Sunday and only a black-and-white television set was stolen.

Ed Grabber's residence north of Umbarger was hit between 2:50 p.m. and 8:10 p.m. Sunday and burglars took a color television set and several records.

The W. P. Janssen residence north of Umbarger was hit between 2 and 4 p.m. Sunday and

a color television was taken.

Between 1 p.m. and 5:30 p.m. Monday, the burglars hit the Cecil Hill residence on the Claude Highway. The burglars took three rifles, a stereo, two steel guitars, an amplifier, and 25 tape recordings.

The home of Mrs. H. E. Weathered, southeast of Amarillo, was hit between 1 and

4 p.m. Monday and burglars took a color television set.

Lawson Alford, who lives south of Amarillo, reported burglars entered his home between 1 and 4 p.m. Monday and took a black-and-white television, stereo record player, vacuum cleaner, guitar, three watches, a wedding band, turquoise jewelry and two jewelry

boxes.

The F.C. Crofford residence north of Canyon was burglarized some time over the weekend. Three television sets were taken. Deputy Cecil Johnson said the Croffords are on vacation.

Longest called on rural homeowners to lock their doors and to watch for suspicious cars or people in their areas.

He said the burglars involved in the 10 recent affairs gained entry either through unlocked doors or through windows.

Rural burglaries have not been a major problem in the county for about two years. Six rapid-fire burglaries were reported by rural homeowners two years ago during the summer months. Those burglaries went unsolved.

WT seeking area funds for recruiting, library

West Texas State University Director of Development Keith Winter, who collected more than \$120,000 for university activities two years ago, will hit the road again this fall for another series of fund-raising campaigns.

Winter said Monday he will seek donated funds for the university's library, for student scholarships and for the President's Development Fund.

He had concentrated two years ago on the development fund and raised more than \$120,000 to help finance faculty research programs, student recruiting efforts, and various other university non-state-supported functions.

A Books for Bufts campaign begun last spring will pick up again in the fall, he said, as the university attempts to collect \$1 million for the WTSU library over the next 10 years.

Already the university is well on its way to that goal as state legislators appropriated \$400,000 for the next two years for special book purchases.

Winter is planning a brochure which will be sent to business and professional people throughout the Panhandle this fall telling them about the library and the services it can offer to the

region. The brochure will be part of a campaign to raise funds from the business sector for the library's book program.

Winter said he will also mail letters to the parents of current students seeking \$15 donations to purchase a book for the library in the name of their sons and daughters.

An effort will also be made to seek alumni donations for the library.

The development director said two-year pledges made by area businessmen in 1973 to support the university's President's Council will be up this fall and he will seek to renew the pledges

and solicit new pledges for the fund. The council provided \$120,000 two years ago for the university.

Winter said he hopes to keep membership in the council at about 200 persons.

Funds from the council provided \$10,000 in grants to faculty members for research, funding for student recruitment efforts, advertising and promotion.

Funding also went to provide for trips by university administrators to Austin during the last legislative session. Winter said the university did not hire a professional lobbyist for the Austin session.

Funds from the council also provided Winter with the ability to send personal letters to each graduating high school senior in the Panhandle and in other Texas cities. Letters were also sent to the graduates of 17 junior colleges.

Winter said he plans to push for funds for more student scholarships for the coming year. Plans tentatively call for a fund to be established in each Panhandle city. A brochure will be prepared outlining how individuals or groups can give scholarships and how the funds will

COVERING FUMBLES

by Dean Mitch Jones

Advanced age has at least one compensation—it relieves one of any urge to change the world or to reform people.

He's the man who never returned

Officers remember man lost in rugged canyons

The 14-year-old Lubbock boy who was found after 17 hours of wandering in Palo Duro Canyon Sunday joins a score of others who over the years have become confused in the rugged terrain and have lived to tell about their plight.

But, as weary sheriff's deputies return from horseback and foot hikes over the rocks in the canyon, their minds go back to ponder the

mysterious disappearance of a 51-year-old Amarillo man who walked into Palo Duro Canyon 12 years ago and has not been heard from since.

Nathan Crawford was the focal point of a massive search Saturday and Sunday in the canyons after he was reported missing about 5:30 p.m. Saturday by his family.

Airplanes, helicopters, horses and men roamed the canyon looking for the

lost youth, who walked into a campsite Sunday morning.

Some of the same officers spent weeks combing the mesquite and red rock in September 1963 for any sign of Fred Henry Meyer, who parked his car in a farm garage and walked into the canyon with a 12-gauge shotgun.

The search has long since been abandoned and Sheriff Cliff Longest believes Meyers, who was

reported in a state of apprehension and mental anguish by friends, may have taken his own life in some obscure corner of the 120-mile long canyon.

J.L. Upshaw, who lived 7½ miles south of the Claude Highway on Pullman Switch reported to deputies on Sept. 3, 1963 that Meyer had parked his car in a garage on the Upshaw ranch on Sept. 3 and walked into the canyon with the shotgun.

Two daughters of Upshaw reported seeing Meyer with the gun.

Longest said then-Sheriff L.S. Johnston slowly pieced together from friends and family a portrait of a man suffering severe mental problems.

He said Johnston learned that Meyer had become frightened by a group of blacks during his job as night watchman at the old ice company in north Amarillo.

A few days before his disappearance, he bought the 12-gauge shotgun and on the day he walked into the canyon, he reportedly blasted out several windows at the ice plant after turning in his resignation.

Johnston learned from Meyer's land lord that Meyer had left pillows stuffed in the bed in his room to leave the appearance that someone

Team makes final visit to city

Optimism seen for health center

Chamber of Commerce President Weldon Trice was optimistic Monday night after a three-man team from the Texas Department of Health Resources toured West Texas State University facilities for possible location of a regional health center here.

Trice said he was encouraged by the attitude of the three men who spent all day touring the campus and lunching with city and school officials.

The three-man team will make a report on site for location of the health center to the state board of health on Aug. 16. The board is to make a decision on the center at that meeting.

While in the Panhandle, the team also viewed possible sites in Amarillo and Borger, according to Dr. A.M. Donnell, team head.

Research results are well digested

Research at the Southwestern Great Plains Research Center in Bushland is literally going to the birds.

And, that's the whole problem, according to Paul Unger of the center.

Unger said this week the center has called in specialists from the Department of the Interior Bureau of Wildlife and Sports Fisheries to help rid the research station of its bird problem.

Sparrows and cowbirds in ever-increasing

numbers are spoiling research efforts at the center, research now underway on the growth and stability of sunflowers in the Panhandle area.

Unger said the birds are ravaging the sunflower plots grown at the center for test purposes and are making it difficult to verify the validity of the research efforts.

"We put quite a few man-hours and a lot of costs to do research and if the

Stan Sanders, son of Dr. and Mrs. Hugh Sanders, was one of many Canyon youngsters participating in the West Texas Tennis Camp. The camp will end Saturday.

Sherrod Presents Paving Statement

Randall County commissioners took no action Monday on a proposal from Dist. Atty. Randall Sherrod for what he termed only a partial solution to the county's subdivision road maintenance problems.

Sherrod instructed several weeks ago to examine the law on what commissioners could do to control construction of streets in rural developments, presented facsimile copies of laws applicable and a recommended statement for commissioners to attach to subdivision plats.

Should commissioners accept Sherrod's proposal property owners in rural subdivisions would be put on notice that the county will maintain their streets as dirt roads only.

Sherrod proposed the following statement be placed on subdivision plats when commissioners accept them:

"The Randall County Commissioners Court accepts the roads described in this plat as 'dirt' roads only for purposes of public maintenance. The owners of property within the metes and bounds descriptions set forth in this plat are hereby put on notice that the county is only responsible for maintaining the roads as 'dirt' roads. Maintenance or improvements for any other type of road must be financed by other means."

Sherrod told commissioners he could not proceed to work up a full legal program for them to control subdivision roads because each development must be considered on its own merits.

Commissioners had discussed earlier this summer the possibility of requiring developers to post a bond assuring proper construction of subdivision roads. They had also discussed requiring each subdivision to become a separate paving district with the power to tax residents within the district for road improvements.

While commissioners have an approved subdivision road construction policy they have been stymied several times in efforts to require developers to meet the policy requirements.

In other business Monday, commissioners tabled action on changing the fiscal year of the county from the calendar year to a year beginning in October.

County Judge Woody Pond said a new state law allowing counties to alter their fiscal years will not go into effect until Sept. 1 and that the county should wait until Jan. 1 to begin laying plans to change the fiscal year.

Barney Wiegand, chairman of the Amarillo Chamber of Commerce highways subcommittee, asked commissioners to send representatives to Austin Friday to attempt to persuade the Texas Highway Commission to release funding for construction of an Amarillo loop in Potter County.

Commissioners Dee Griffin and Jim Fletcher said they would attend the session along with representatives of Amarillo, Potter County and the chamber.

Commissioners approved a \$654 allocation for the purchase of new radio equipment for the Canyon Ambulance Service. Operator Richard Bertrand explained that a federal grant would provide about \$6000 for the new equipment and that

Panhandle Eyes On City In Utilities Regulation

Other Panhandle-area cities will be watching Canyon and the results of local city efforts to pass a utilities regulation ordinance which is opposed by major utility suppliers.

City Manager Glen Metcalf said there is a general feeling among city government leaders in other towns in the area that Canyon may be the proving ground for the ordinance, which has been proposed for passage by City Engineer Bill McMorries of McMorries and Associates in Amarillo.

He said he also anticipates representatives of Pioneer Corporation (formerly Pioneer Natural Gas Co.) and Southwestern Public Service Co. to make their strongest bid against the proposed ordinance in Canyon since the city is among the first in the region to discuss passage of the law.

Electric company officials protested the ordinance during a session last month before city commissioners, saying passage would be unnecessary and the city should rely on a new state law governing utilities.

Local commissioners will take up the ordinance again Monday night to hear proposals for changes from the utility companies, who were to have perused the document and made formal change proposals to McMorries by Monday.

Metcalf contends that the ordinance would only set up formal procedures for the filing of rate hike requests by the companies and would set out the exact formula for figuring fair rates of return for the companies.

Commissioners made no decision on the ordinance a month ago and asked McMorries to review the objections of the utility companies and bring the ordinance up again Monday night.

Canyon currently has no general utility ordinance, although utility companies are controlled through franchise agreements with the city.

Texas legislators recently passed a law organizing a state utilities commission which will have full power to oversee the operations of the telephone company. Texas cities will be unable to regulate telephone rates within their municipal limits after Sept. 1, 1976, but will retain the power to regulate electric and gas companies unless they choose to allow the state-wide commission to assume the power.

county, city, hospital district and he himself would put up the \$654 remaining financing.

The funds will provide two-way radio communication for the ambulances with the sheriff's department, Palo Duro Hospital and Amarillo hospitals. Bertrand said the system will eventually allow the ambulance crews to relay brain wave scans and heart scans to hospitals for advice before moving a patient at the scene of an accident.

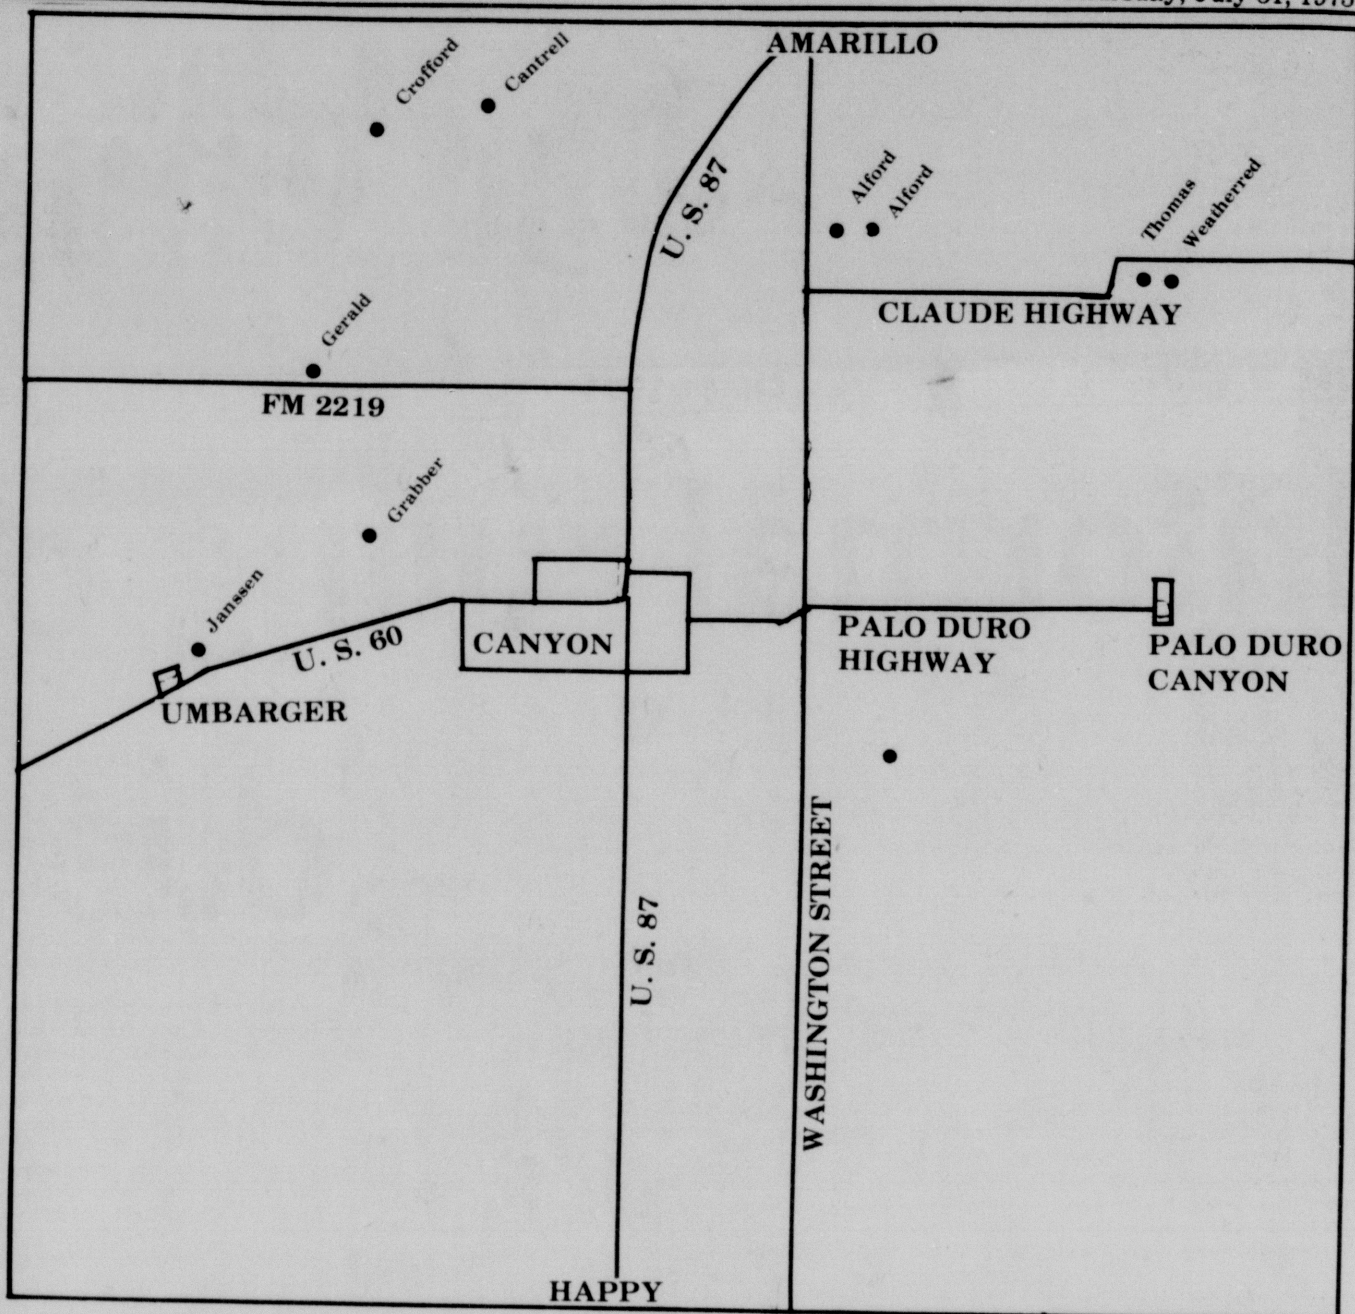

Officer Better After Crash

Oliver Shelton, a Canyon police officer injured in a traffic accident June 24, is progressing and says he will be back to work in approximately a month.

"It will be about six months before I'll be able to drive, but I expect to be back in the office in a month or so," Shelton said. "I can write now and I'm feeling pretty good, but the doctor hasn't released me yet," he added.

Injuries to the police officer included a concussion which has affected his vision and speech, a severe cut on the right hand and wrist, a broken pelvis and shoulder.

Officer Shelton was hospitalized for two weeks in Amarillo's Northwest Texas Hospital.

Map shows locations which burglars have hit since July 21 spree began. See story on page 1.

Canyon Police Officer Oliver Shelton, right, is shown talking to Police Chief Al Stewart. Officer Shelton was seriously injured when the police car in which he was driving collided with a semi tractor-trailer rig on June 24. Shelton will be back in the police office in a month and hopes to be back on regular patrol duty in six months.

Bufs Open Play In Conference

Missouri Valley Conference play will begin for the West Texas State University Buffaloes as soon as the whistle blows in the season opener.

Coach Gene Mayfield's crew will begin MVC play when they meet the Shockers of Wichita State University at Wichita on Sept. 6.

WTSU, after completing a dismal season last year with a 1-9-1 record, hit the recruiting trail and came up with 14 junior college transfers. Shocker head coach Jim Wright is preparing his team for what he calls "a very difficult season." WSU, after meeting West Texas State will be going against three Big 8 teams in as many weeks. They include Oklahoma State, Kansas State and Colorado.

The Shockers have 32 returning lettermen of which seven were offensive starters and eight were defensive starters last year.

The second game on the Buff schedule will be against Lamar University at Beaumont on Sept. 13 at 7:30 p.m. A member of the Southland Conference, the Cardinals finished the 1974 campaign with an impressive 8-2 record.

Lamar will have 22 returning lettermen. Four offensive starters will return along with three starters on the defensive squad. Last year, Lamar defeated the Buffs 9-7.

The WTSU home opener will be Sept. 20 against the University of Tulsa at 7:30 p.m. The Golden Hurricane will be defending their Missouri Valley Conference championship the team won last year by going undefeated in Valley play.

Tulsa will have 39 lettermen returning for the 1975 season. The 1974 Golden Hurricane offense remains virtually intact as ten starters return for the 1975 season. Defensively, seven starters will return.

The Buffs dropped last year's meeting with Tulsa by a score of 17-14.

On Oct. 4, the University of Texas at Arlington will come to Kimbrough Memorial Stadium. Game time is 7:30 p.m.

The Mavericks come to Canyon with 40 returning lettermen. The UTA defense will

be the same as 1974 with 11 starters returning. Seven starters return on offense. Last year, UTA posted a 1-10 overall mark with a 1-4 record in Southland Conference play.

The last meeting between WTSU and UTA was in 1973. UTA came out on top 20-7.

The Buffs travel to Logan, Utah on Oct. 11 for their first day game against Utah State University. The Aggies compiled an 8-3 record last year with the help of standout running back Louie Giammona. Giammona rushed for 1534 yards which was tops in the nation and will be back this season.

Utah will have 31 lettermen returning. Last year, the Aggies downed the Buffs 21-16.

The WTSU Homecoming will be Oct. 18. The Buffaloes will be going against Drake University at 2:30 p.m. in Kimbrough Stadium.

The Bulldogs will have six offensive starters back from last year's team which posted a 3-7-1 record. Drake bowed to WTSU last year by a score of 37-17.

The Buffs will be open during the week of Oct. 25 and will pick up the season on Nov. 1 when they meet a newcomer to the NCAA's Division I, Northeast Louisiana University. The game will be played in Monroe, La. at 7:30 p.m.

NLU's record last year was 4-6. The NLU-WTSU contest will be the first meeting of the two schools.

On Nov. 8, the Buffaloes will

take on New Mexico State University in Canyon at 1:30 p.m. This will be the last conference clash for WT.

The NMSU Aggies will bring to town 34 returning lettermen of which nine were offensive starters and seven were defensive starters from last years 5-6 season.

The Aggies blasted the Buffs 41-0 in last year's game.

On Nov. 15, the Buffaloes will again be travelling to Louisiana, and will face McNeese State University of the Southland Conference.

This will be the first meeting of the two teams. The Cowboys posted a 6-4-1 record last year. McNeese will have 39 lettermen returning with five starters on

offense and four defensive starters returning.

On Nov. 22, WT will face the University of Louisville at 1:30 p.m. in Canyon. The contest will be a non-conference meeting since the recent departure of Louisville from the MVC.

Louisville defeated WT last year 10-8.

The Buffaloes will wind up the season at Denton when they play North Texas State University on Nov. 29 at 1:30 p.m.

Like Louisville, the Mean Green are beginning the 1975 season as an independent.

NTSU will have 25 lettermen returning. Nine offensive starters and Two defensive starters return for the 1975 season.

Bazaar-Dinner At Happy Aug. 3

An annual bazaar and dinner will be held Sunday, August 3, by the Holy Name Parish of Happy with dinner being served from 11:30 a.m. until 2 p.m. in the parish hall.

Regents Meet Last For Three Members?

Saturday's board of regents session may or may not be the last for three regents whose terms expire at the end of August.

The term of Cloyce K. Box, Dallas businessman and board chairman, expires Aug. 31 as does the term of Jack Shelton and B. Raymond Evans.

Chairman of the board of the OKC Corporation, a major Dallas business, and director of other Texas firms, Box has served on the board — and has served as its chairman — since the board was first organized by then Gov. Preston Smith in 1969.

Evans, a Tulsa rancher and businessman, has also served on the board since its inception.

Both had been appointed for six-year terms.

Shelton, an Amarillo cattleman, was appointed last year by Gov. Dolph Briscoe.

The governor will name the appointments to fill the three vacancies, probably some time in September.

Long-term board member Dr. Irby Carruth of Canyon, an original Smith appointee, was reappointed last year by Briscoe to his seat on the governing body of WTSU.

Box, who eyes other regents over horn-rimmed half-glasses, has had a flamboyant career as chairman of the board.

He told newsmen three years ago he was instrumental in the firing of Athletic Director Joe Kerbel.

And, under his direction, the board two years ago hired current president Dr. Lloyd I. Watkins, who replaced Dr. James P. Cornette.

Box has also spearheaded regent efforts at gaining state funding for new buildings on campus, including the new Cornette Library and the Science Center. He has also led the planning of a new fine arts building for the university.

YOU CAN BECOME HEALTHIER

Formerly, most every sickness so reduced body health that many people became permanent invalids.

Nowadays, we have medicines that can restore energy, help your heart and other organs to maintain their strength and lower or raise blood pressure as needed. These potent drugs can only be obtained by a physician's prescription. From the more than 4000 different medicines in our prescription department, your physician can prescribe the particular one best for you.

Tracksters Make Showing At State TAFF Track Meet

Twenty-two Canyon youngsters travelled to Grand Prairie Friday and Saturday and competed in the Texas Amateur Athletic Federation's state track meet. The tracksters had previously qualified for the meet at the regional meet held in Lubbock July 19.

Approximately 2,000 athletes from throughout the state

attended the week end meet.

Penny Christopher, running in the Girl's Midget Division, came home as the fastest girl in her division with a first place ribbon in the 50-yard dash. Miss Christopher's finish was clocked at 6.9. In addition to her first place win, she placed sixth in the 100-yard dash.

In the Boy's Junior Division, Jeff McKay won second in the 120-yard low hurdles and sixth in the high jump. Also in the same division, Bruce Byrd won sixth place in the shot put.

Canyon's Merry Johnson and Terre Tucker teamed up with Connie Crowell from Groom and Susan Rickard from Lubbock to win second in the Intermediate Girl's 440-yard relay.

Miss Johnson and Miss Tucker also placed in several individual events. Miss Johnson finished second in both the 100-yard dash and the 200-yard dash as well as a third place finish in the high jump.

Miss Tucker placed seventh in the 100-yard dash and eighth in the 220-yard dash. In the long jump, she placed third.

Miss Tucker placed seventh in the 100-yard dash and eighth in the 220-yard dash. In the long jump, she placed third.

In the Boy's Intermediate Division, the 440-yard relay team of Doug Fowler, David McKay, Bobby Scott and Robert Dustman finished sixth.

In the 120-yard low hurdles, three of the six qualifiers were

from Canyon. David McKay took second, Robert Dustman won fourth and Ricky Cooper finished sixth in the event. McKay also took fourth in the 100-yard dash.

Steve Zanchettin finished sixth in the 880-yard run. In that event, two people broke the national AAU record.

Vince Price won a sixth place ribbon with his shot put effort. Kyd Kendrick placed third in the pole vault.

The Boy's Senior Division relay team scored a seventh place finish. The team is made up of Ronnie Whitney, Craig Johnson, Robert Scott and Lyndon Brazile.

In the Senior Division pole vault, Johnson along with Terry Houk tied for sixth and Collin Weaver placed fifth in the shot put.

"The weather was real humid and hot at the meet, but our kids really performed well in the different climate," coach Eddie Smith said after their return to Canyon.

Several business and individuals in Canyon made the trip possible for the Canyon youngsters. In addition to the list of contributors in last Thursday's

edition of The News, the following also contributed to the financing of the trip to Grand Prairie — Jim's Gulf Station; Dr. Burwell Southern; Jimmy Campbell; Wayne Porter; and Tom Lair.

Canyon swimmers earned their share of placings in a Junior Olympic Swim Meet held during the past week end at the Activities Center swimming pool at West Texas State University.

The local swimmers, coached by Bruce Rove, were among 100 swimming teams including 300 individual swimmers from the West Texas area involved in the meet.

Canyon swimmers and their placings in the 11-12 year old division were:

City Youngster

Participates In

Tennis Camp

One Canyon youngster is among 127 players participating in the third session of the West Texas Tennis Camp this week (July 29-August 2) on the campus of West Texas State University.

The camper from Canyon attending the third session is Sharon Castleberry.

Over 350 tennis players between the ages of nine and 18 have participated in the camp's three sessions this summer. In its six year history, the camp has helped over 1,800 players improve their games.

WTSU Head Tennis Coach David Kent and Amarillo professional Roland Ingram are the camp directors. Kent's Buffalo team won its third straight Missouri Valley Conference championship this spring, and Ingram is returning to Amarillo following a successful term as head tennis coach at Midland College.

"We try to do two things in the camp," Kent says of the camp's aims. "One, we try to improve each individual's game, and two, we try to have some fun."

The camp is held on West Texas State's 14 Laykold courts, the site of the 1976 Missouri Valley Conference championships and one of the finest facilities in the Texas Panhandle. Campers also have the use of the university's \$4 million Student Activities Center.

"Our facilities are second to none," Kent adds. "With our facilities and our excellent instructors, we believe we accomplish both our aims."

CB Club Swims

The Buffalo Breakers Club for citizen band radio enthusiasts met at Canyon City Pool Friday evening with about 25 members and guests present for the event.

Swimmers Place In Jr. Olympic Event

and Mrs. Albert Mitchell) who earned certificates in the 100 yd. and 50 yd. freestyle events and 100 yd. breaststroke event.

Anne Sawvell (daughter of Dr. and Mrs. Robert Sawvell) who received certificates in the 100 yd. and 50 yd. freestyle events and the 100 yd. breaststroke event.

Nicky Coleman (son of Mr. and

Mrs. Mario Coleman) who earned certificates for the 100 yd. and 50 yd. freestyle events, the 100 yd. backstroke and 100 yd. breaststroke.

Peter Shelly (son of Dr. and Mrs. Walter Shelly) who received certificates for the 50 yd., 100 yd. and 200 yd. freestyle events and the 100 yd. breaststroke.

Tim White (son of Mr. and Mrs.

Charles White) who received certificates for the 100 yd. backstroke and 50 yd. freestyle events.

In the 10 and under classification, Canyon swimmer Walter LaBrie (son of Dr. and Mrs. David LaBrie) earned certificates for the 50 yd. backstroke and the 50 yd. freestyle event.

Tim Shelly (son of Dr. and Mrs.

Walter Shelly) received certificates in the 10-under classification for the 100 yd. freestyle, 50 yd. backstroke and 50 yd. freestyle swimming event.

In the 8 and under classification, Beth Sawvell (daughter of Dr. and Mrs. Robert Sawvell) received certificates for the 50 yd. backstroke and 50 yd. freestyle event.

Tennis Camp To End Saturday

The West Texas Tennis Camp will end Saturday with the close of the third session.

Each of the three sessions contained 175 tennis players from across a 14-state area. Directors

of the camp were David Kent, West Texas State University tennis coach, and Roland Ingram, tennis coach from Midland College.

According to Kent, the camp

was a huge success as it has been in past years. "All three sessions of the camp were filled," he said.

Each of the tennis campers received individual instruction from what Kent described as "top quality instructors who are capable players as well as teachers."

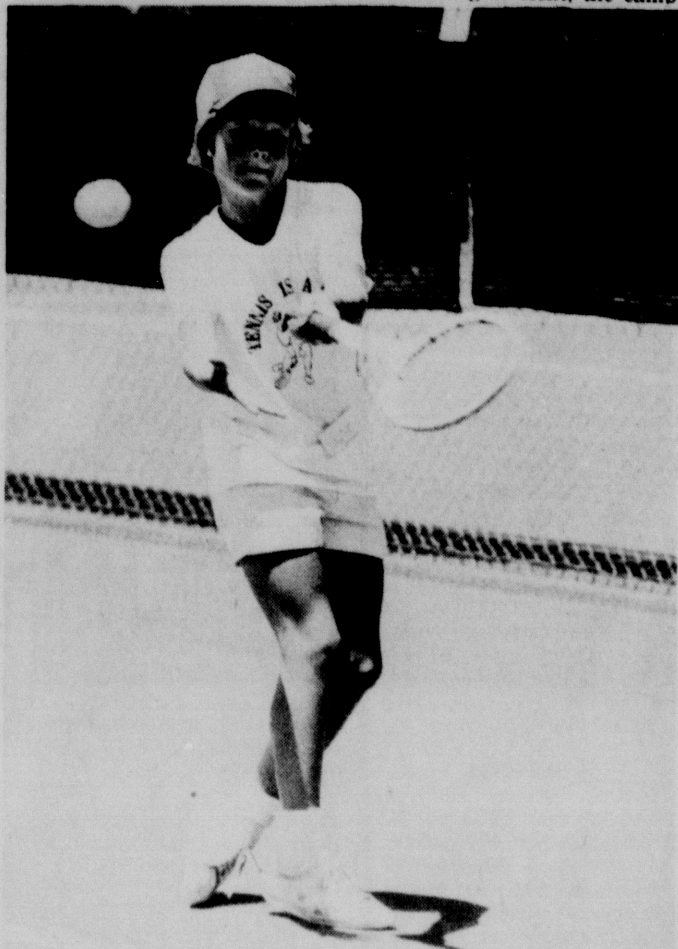

The WT tennis coach noted several benefits resulting from the tennis camp. "The camp enables us to expose the university and the local community," he said. The revenue received from the camp helps maintain the university's tennis courts and the overall tennis

program at WTSU, he added.

Kent has built the camp policy around hard work and discipline. "We work the kids real hard with strict discipline included," he said. "The camper discovers right away that he is here to learn and to work hard," he added.

For the entire week, the tennis campers are supervised 24-hours a day Kent said.

Each camp session has been broken down into three groups, beginners, intermediates and advanced. The age group of the boys and girls attending the camp was from 9 to 17 years old.

A total of 375 tennis players made up the three sessions of this year's West Texas Tennis Camp. Trey Kent, son of Mr. and Mrs. David Kent of Canyon, displays his southpaw style.

- Kiwanis Club meets noon Fridays, community center

Men's Slow Pitch League Has Tourney Final Tonite

The Men's City League slow pitch softball season will wind up a week long tournament tonight with the final game kicking off at 7 p.m. behind Jarrett Hall on the West Texas State University campus.

Tournament leaders are the teams of Keeling and Calvary which will be pitted in tonight's game where Dennis Briggs and Gary Six will officiate.

Tournament play opened Monday, July 28, with play between

the Calvary Baptist Church team taking an 18-5 win over Frame House and the First Christian Church team taking an upset win over First Baptist Church in a 12-8 thriller.

Tuesday's tournament action saw Calvary Baptist surprising the Air Speed team with a 15-5 win and the second game of the evening was a 22-4 win for Calvary over the First Christian Church team.

Bull-dogging Yarns Incorporated in Book

Yarns about bull-dogging, bronco-busting and high livin' may not be typical as English themes, but for West Texas State University sophomore Neal Hughs, these tales got him out of beginning English and his name on a book.

Mostly the contents of Hughs' book "Grab A-Holt!" on Texas rodeo and cowboy humor are reminiscences of his quest to be an "All-American bulldogger" and local whirlwind in his hometown of Memphis.

"When you are batching, the best thing for you to do is get into trouble. You can't cook, or wash, you can just get into trouble," he maintains.

Hughs' book is just that — a series of 20 humorous sketches starring Hughs and his friends as they get themselves in and out of trouble at rodeos, working cattle and in small town life.

"Most of these guys are so mean they should have been shot when they were born," he recalls lovingly.

Hughs' literary career began in English instructor Jan Cosmic's class when the sketches he wrote for English themes were successfully placed in rodeo magazines such as "Chute Five."

Five minutes of contemplation in the bathtub, numerous re-writings of "His colorful spelling" and 16 more sketches later, the yarns have been compiled and published by Nortex Press in Quanah.

Hughs memorably recalls "West Texas Wolfhunters." "From Bucking Chute to Roping Box," "The Paducah Plug" and "A Rough Old Gal" in tall tales that defy the imagination but not laughter.

Already Hughs is planning a sequel on his adventures in the National Guard, in which he claims to "hold the national KP duty record."

After his graduation from West Texas State, Hughs is uncertain whether he will "go back to peddling watermelons and lying to bankers" or go on to graduate school.

But until then, he plans to continue working on his degree in agri-business.

His books are available at Western wear stores in Canyon and Amarillo, Brown's House of Books in Amarillo, and from Neal Hughs at Route 2, Box 15, Amarillo, Texas 79101. The price is \$1.25.

He is the son of Mr. and Mrs. Gene Hughs of 215 S. 12th, Memphis.

Had a party? Or giving one? Tell The Canyon News about it. Telephone 655-7121, or stop by the News office on the south side of the square.

The Bahá'í Faith unifies mankind.

These Bahá'ís—followers of Bahá'u'lláh, Prophet-Founder of the Bahá'í Faith—like their fellow believers in more than 300 countries and territories, are committed to helping to achieve the unity of mankind. "That which the Lord hath ordained as the sovereign remedy and mightiest instrument for the healing of all the world is the union of all its peoples in one universal Cause, one common Faith," said Bahá'u'lláh. Who suffered many years of imprisonment and exile to the Holy Land for promoting the principle of the oneness of mankind. If you are interested in this central teaching of the Bahá'í Faith, contact the Baha'is in this community and ask them to tell you more about Bahá'u'lláh.

Public Meeting Sunday, August 3, 8:00 p.m. WT, Activities Center Room 216

Guest Speaker — Mr. Genabe Caldwell

A teacher we know defers taxes on money going into a guaranteed retirement plan. It's dollar-stretching.

She's glad she contacted us.

**THE STATE OF TEXAS
TO: DONNIE JOE MOSELEY**
GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 18th day of August, A.D., 1975, at or before 10 o'clock A.M., before the Honorable 47th District Court of Randall County, at the Court House in Canyon, Texas.

Said plaintiff's petition was filed on the 4th day of March, 1975. The file number of said suit being No. 14,344-A. The names of the parties in said suit are: IN THE MATTER OF THE MARRIAGE OF MARIA V. MOSELEY, and DONNIE JOE MOSELEY. The nature of said suit being substantially as follows, to wit: Suit to dissolve marriage and appoint managing conservator. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unissued.

Issued this 3rd day of July A.D., 1975.
Given under my hand and seal of said Court, at the City of Canyon, Texas, this 3rd day of July A.D., 1975.

LaQuitta Polvadore, Clerk
Court Randall County, Texas
By Marjohm Motheral, Deputy

Health...

(Continued from Page 1)
place to live and work.
Bill Foran, an Amarillo businessman and vice chairman of the state board of health, told the luncheon guests the board will probably act favorably on the team recommendation.
Donnell said the board meets Aug. 16 and word of its decision should reach the university within a few days after that meeting.

Pattersons Have Infant

Mr. and Mrs. Randal Patterson of Canyon announce the July 5 birth of a son, Rhett Lynn, who weighed 8 pounds, 14 1/2 ounces at birth in High Plains Baptist Hospital in Amarillo.
The Pattersons have a daughter, Heather Lee, age 3 and the father is employed with the Texas Highway Department, Canyon division.
Grandparents are Mr. and Mrs. Nile Patterson of Claude and Mr. and Mrs. Edwin Watts of Wheeler.

Ruling...

(Continued from Page 1)
project.
Approval will also be considered for repairs to the old administration building, which was damaged by fire in late June.
Regents are also to consider guidelines for the Texas Public Education Grants Program. Under the program, according to President Lloyd I. Watkins, the university will provide matching funds for grant scholarships through the state.
The regents meeting is scheduled at 10 a.m. Saturday in Room 216 of the activities center on campus.

Birds...

(Continued from Page 1)
birds eat it up, then the research is ruined for a year," Unger said.
The sunflower research, he said, providing the absence of the birds, will help provide information on water use, planting times and fertility of the plants.
Unger said the bird problem is probably generalized in the north Randall County area but "since we're a public-supported agency we feel we should give the best information we can and if the results (of research) are not reliable then we're not helping anybody."
Interior Department officials were at the Bushland station earlier this week to look at the

Funds...

(Continued from Page 1)
be assisted.
In addition to the fund-raising efforts of Winter, other university schools and colleges will continue donation-seeking activities in the fall. Such groups as the Friends of Fine Arts and the Agriculture School are soliciting funds for buildings and scholarships.

Daughter's Birth Told

Dr. and Mrs. Douglas Williams of Canyon announce the birth of a daughter, Nicole Loraine.
The baby girl was born July 19 at High Plains Baptist Hospital in Amarillo and weighed 6 pounds, 5 ounces at birth.
The Williams family includes two older brothers, Jeffrey, 7, and Jason, 3, and the father is an ag-business instructor at West Texas State University.
Grandparents are Mr. and Mrs. Jack Winter of Salt Lake City, Utah and Mrs. Mable Stamey and Elwood Williams of Ogden, Utah.

Three Suspected In Burglary

Lubbock police apprehended three persons Saturday in connection with the burglary of a Canyon ladieswear store.
Jean's of Canyon, 1401 23rd Street, was broken into sometime during the early morning hours Saturday.
Canyon police discovered the break-in at 4:45 a.m. The front door of the store had been pried open with an estimated \$6,000 in merchandise taken. The cash drawer had been broken open but the approximate \$30 in change was not taken.
According to Canyon Police Lt. Tom Rolen, his department was contacted by the Lubbock police Saturday afternoon and was told they had three suspects in custody in connection with the Canyon burglary.
The suspects, Clifford West, 27; Lavone Madsen, early 20's; and Sammy Cooper, also in his early 20's, were arrested Tuesday in Lubbock and were released after posting bond. The three were due to appear before Peace W. A. Wilson at 9 a.m. Wednesday but failed to do so.
A warrant has been issued for their return to Canyon and further arraignment proceedings.

Recipes Given By Agent

fashioned pleasure which is now easier and means less work. Our ingredients are sure and our ovens are thermostatically controlled. If a recipe is followed carefully, it's hardly possible to bake a bad loaf of bread!
The breads (all three of them) come from one basic recipe. Of course, white bread is the one that sandwich-eaters will like so it will add to, rather than detract from, the sandwich filling. Whole wheat and cinnamon raisin swirl are the other choices, all baked

from the original recipe. It's helpful to have proper containers for the breads so they will stay fresh for many days.
Baking bread at home is just plain fun and homemakers often find it most relaxing among their rushed, pressured days. You also save money with bread baking efforts, welcome especially in these days of high prices. And the bread baker finds that her sandwiches are better than ever. No matter what the fillings, the homemade bread slices make the

sandwich a luncheon or snack-time treat.
Women in the know are trying new recipes for bread. This one is an extra special recipe since it can be used for any of the three delectable loaves. The family will love the old-fashioned flavor — it's economical and delicious!

White Bread With Variations

1 1/2 cups milk, scalded
3 tablespoons sugar
3 tablespoons shortening
2 teaspoons salt
2 packages active dry yeast
1 cup warm water (105° - 115° F.)
6 to 6 1/2 cups flour
Combine milk, sugar, shortening and salt; cool to lukewarm. Soften yeast in warm water. Add to milk mixture; beat well. Add flour as needed to make a stiff dough. Turn dough onto lightly floured board and knead until smooth and elastic. Place in greased bowl; turn once to grease top of dough. Cover and let rise in warm place until double in size. Punch down. Turn onto lightly floured board. Divide into 2 equal portions. Shape each piece of dough into a loaf. Place in greased 9 x 5 x 3-inch loaf pan. Cover and let rise until double in size. Bake in moderate oven (375° F.) until done, about 45 minutes. Remove from pans. Cool on wire rack. Makes 2 loaves.

Cinnamon Swirl Bread
Follow recipe for White Bread, except when dough is divided into 2 equal portions handle as follows. Roll each piece of dough into 15 x 9-inch rectangle. Brush

surface with water. Sprinkle each with 1/2 cup sugar and 2 teaspoons cinnamon mixed together and 1/2 cup seedless raisins. Roll up tightly from 9-inch edge jelly-roll fashion; tuck ends under. Place loaf in pan.
Whole Wheat Bread
Except substitute brown sugar or molasses for granulated sugar, as desired, and 3 cups whole wheat flour for 3 cups of white flour.

Lost...

(Continued from Page 1)
was in bed.
Meyers told his landlord not to rent the room because "someone might get killed in it."
Meyer also reportedly told his girl friend that he "just wanted to hide out" for a while.
Deputies combed the canyon from the Upshaw ranch to Lake Stockton (now Lake Tanglewood) and found no tracks of Meyer.
A group of 40 airmen from Amarillo Air Force Base also joined the search.
In mid-November, Johnston was startled by a phone call from Fred Ray Meyer, the 26-year-old son of the elder Meyer. The younger Meyer asked the sheriff to send to him an aerial photo or map of Palo Duro Canyon for use by a telepathist the son said might be able to locate the missing father.
Johnston complied with the request but no further word was heard from the younger Meyer.
The mystery of the missing Meyer was further enhanced about two years ago when the son and his wife were reported to have been killed in a light plane crash in California. Longest said to his knowledge neither the plane nor the bodies of the two have ever been found by California authorities.

Parish To Hold Dinner And Bazaar

By MARY NEAL HENRY
EAT WITH THE HOLY NAME Parish at their dinner and bazaar on Sunday, August 3, beginning at 11:30 a.m. Dinner will continue to be served until 2 p.m. The menu consists of barbecued beef, mashed potatoes, gravy, baked beans, green beans, jello salad, tossed salad, relish plate, homemade bread and butter, chocolate cake, tea and coffee. Dinner will cost \$2.50 for adults and \$1.25 for children six to twelve years old. Pre-school children are free.

Breakaway roping was won by Teresa Clubb; second, Shawnda Johnson; third, Paula Sage; and Valerie Tipps, sixth.

HAPPY DAYS CELEBRATION is scheduled this year for August 14, 15, and 16th with a Steer Roping on August 17. Happy Jaycees and Happy Lions met together this year to present a bigger and better celebration than ever before.

BETTY DONNELL SPONSORED the Happy Baptist group to Glorietta for Home Mission Week. Girls attending were Marta Kay Donnell, Nancy Wood, Megayla Thornton, and Bobbyette Butler. Willie Butler and Brenda Penn accompanied the group to Glorietta and spent the first night. They returned on Monday.

Brother Bill Hogue, former pastor of Happy's Baptist Church and Director of Evangelism of Southern Baptist Convention, was one of the speakers at Glorietta.

RANDY BELL FLEW into Amarillo on Thursday evening (or rather Friday morning). He is on furlough until Happy Days.

TERRY TODD WAS also "home" from Odessa this last weekend.

SUZANNE AND ADREN Cunningham are the parents of a baby girl, Jennifer Suzanne, born July 26th at High Plains Baptist Hospital. Jennifer weighed seven pounds and twelve ounces. And was nineteen inches long. She has big brothers, Billy and Jody. The Cunninghams now reside in Sayre.

EVELYN AND RAYFORD Shipman recently traveled to Canadian to see their brand new granddaughter, Stephanie, presented them by Pam and Larry Waite.

LOUNETTE AND FRED Carter celebrated their twentieth wedding anniversary last week. Louise Stubblefield entertained with homemade ice cream and cake. Camilla Greenfield baked the cake and decorated it in pink and green with a silver '25' on top. Lounette said that those were her chosen colors on her wedding day.

Helping to celebrate were Lounette's and Fred's children, Ricky Carter, and Deanna and Chris Sanford; Mary Beth and Duane Stubblefield and their Kaye Lynn and Becky Stubblefield, Johnny Payne, Marlene and Sam Caraway and Ray Neal and Ann Caraway, Bob

Louder, Glen and Essie Mae Carter and Glen's ninety three year young father, Marvin Carter of Sentinal, Okla.

Marvin had worked with Will Rogers in Oklahoma and entertained the group with stories about their times together. (Back in the 'Olden Days' as this younger generation says).

EXCITEMENT ABOUNDED in Happy Sunday morning about six o'clock when a Santa Fe train derailed and several hopper cars demolished

the Happy Elevator Company of fice. (Who ever said that it paid to get to work early?) Fatalies were prevented only because the building was vacant. A highline pole was sheered off at the ground. Damages were extreme, but no injuries.

THE HOME OF Jim Fellers caught fire on Wednesday, July 16, about ten o'clock in the evening. The origin of the fire is believed to have been in the kitchen.

Happy Volunteer Fire Department answered the alarm.

Damages to the kitchen and sun room area were extensive.

Rhonda Fellers had been living in the home this summer while attending the first semester of West Texas. Rhonda left last week for a vacation in California with Karen Hinton. Everything that Rhonda owned except what she had taken to California with her was lost in the fire.

STEVE GAYLORD is visiting Dotty Foster and family. Steve is walking on crutches. The pin has been removed from his

shoulder and Steve's injuries are healing. He will be on crutches for some time.

COACH BOB ASKEY, who fell approximately fifteen feet off a train car and suffered a compound fracture of the leg, remains in Northwest Texas Hospital in Room 252. The accident occurred last Friday morning at the Lone Star Elevator. Remember Coach Askey.

SEE YOU AT the Catholic Church for dinner on Sunday. See ya! Mary Neal

Stepbrothers 'Discover' Each Other

Tracing the family tree has resulted in two stepbrothers first becoming aware of the existence of each other.

The stepbrothers, Charlie Sutton, 86, and Homer Sutton, 65, were introduced this week at a family get-acquainted session at LaCasa Canyon Nursing Home where the elder Sutton has been a resident for three years.

Both are sons of the late John D. Sutton of the Denton, Texas area who died at the age of 52 in Ceragorda, Arkansas. The late Mr. Sutton was married to Tenny Terry and lived in Honey Grove when son, Charlie, was born. He later married to Liza Jane who bore him two sons and three daughters before his death.

The second marriage of the late John D. Sutton resulted in the birth of Homer Sutton of Cushing, Oklahoma. Maude Beard of Tulsa, Oklahoma, Cora Coleman of Idabelle, Oklahoma and Bessie Crow of Tulsa, Oklahoma and the eldest child of

the second marriage, Robert, is now deceased.

"It was Aunt Maude that told us she had last heard about a possible Sutton step-brother living in Texas," states Mrs. Jack (Carolyn) Clark of Cushing, Oklahoma.

Mrs. Clark was interested in tracing out the family tree of her father's family and sparked the interest which resulted in the first meeting of the two stepbrothers here this week.

"I looked up the Suttons at Happy, since that is where Aunt Maude thought they were at," stated Mrs. Clark. "And there were only two Suttons in the phone book so I found my new Aunt Madge that way."

Madge Sutton and her husband, Charlie, who will be 87 this fall, have eight children including five daughters and three sons. Their family tree includes Essie Barnard of Canyon, Opal Poston of Banner, Wyoming, Martha Poole of Vaughn, New

Mexico, Erma Boyd of Amarillo, Pete Sutton of Boerne, Tex., Jack Sutton of Happy, Texas and two children, Buddy Sutton and Esther Legate, who are now deceased.

Mrs. Clark (the eldest daughter of Homer Sutton) says that she "isn't even really sure how many cousins are related from her father's side of the family and is anxious to get acquainted with cousins from the new-found Uncle Charlie and Aunt Madge."

Another segment of the family tree came to light as Mrs. Barnard (daughter of Charlie Sutton) noted that she had formerly thought she had only one uncle on her father's side of the family. The Charlie Sutton's had become re-acquainted with

his half-sister, Mrs. Frank (Polly) Walters, when she moved to Happy. Mrs. Walters is a stepsister from the second marriage of Charlie's mother.

The two cousins, Mrs. Clark and Mrs. Barnard, were among family members present Wednesday afternoon as the two stepbrothers "met for the first time."

Foreign Students Now Have Advisor

Foreign students attending West Texas State University now have an advisor they can go to for help in making the transition from one country's customs and educational system to another.

"There are three areas in which we hope to be of service to

the foreign students at West Texas State," says Jack Muthersbough, WTSU assistant professor of geography. "We want to make it easier for the foreign student to come here, to be more active in recruiting them and then to help them as much as

possible with the administrative procedures they will find here."

Muthersbough continued that "WT has really not had too many foreign students nor have we offered special services for them."

But he believed they would find the University a stable and good place to live, with people here who are interested in others from throughout the world.

"The greatest advantage of WTSU for foreign students is, however, the individualized attention they would get in the small classes," he observed.

Foreign students would especially find beneficial WT's "excellent School of Agriculture" which gives a good ag background, especially to those who come from similar climates, and the School of Business with its training in the efficient operation of small businesses, he continued.

Muthersbough also hopes to expose the foreign students to the community and put them in touch with families who will contact them and support them.

This is not the first time Muthersbough has worked with foreign students. While at the University of Indiana, he became active in the African program and has kept up his interest in African students at West Texas State.

Umbarger News Gardens Benefit From Rain

By REBA RAEF
WE ARE SURE enjoying the little garden rains that we have been having lately. We haven't had to water the garden or yard, but we sure do need to weed the garden and mow the grass, when it gets a little dryer.

TONY AND AGNES Handing are entertaining guests from Germany. Mr. and Mrs. Joseph Handing and Bernard Handing and his daughter, Christina, from Muenster in Westfalen are here for three weeks.

Mrs. Joe Handing said they visited for two days in New York City, a day in Washington, D.C. and a day in Chicago. In Washington, they visited the Government Buildings and the Arlington National Cemetery.

Christina, who is sixteen and still in high school, will stay in America for five weeks. She will go to Golden, Colorado to visit with her cousin and her family, Mary Kolac. The visitors are very impressed with America.

Bernard is a Director of a Co-Op dairy organization in Germany and Joseph is a school teacher. This is a first visit in America for both families.

Tony is somewhat hampered with showing his visitors around, as he is recuperating from a broken arm, suffered in a fall at his home, recently.

MISS MARY LONGORIA, bride-elect of Dwight Brandt, was feted with a miscellaneous shower last Sunday afternoon in the Andrew Lindemann home at Umbarger.

A centerpiece of white daisies and light orange carnations, carried out the bride's chosen colors. The guests were greeted by Odessa Lindemann, Sadie Brandt, the bride-elect and her fiancé, Dwight.

Refreshments of cake and punch were served to 31 guests by the hostesses, Mesdames Andrew Lindemann, Dennis

Brandt, Joe Albracht, Vincent C. Meyer, Paul Ferguson, Tom Payne, A. R. Friemel and James Skarke.

MR. JOE SCHUELE, from Ord, Nebraska, is visiting his sister, Mrs. Ben Koch and other relatives in this area. He plans to be here several weeks.

MRS. DARRELL HERSLEY, from Harrison, Idaho is here to be with her mother, Olive Janssen who is seriously ill in the I.C.U. at St. Anthony's Hospital in Amarillo.

A BELATED "HAPPY Birthday" to Rita Wynn, whose birthday was July 25th.

THE BUFFALO RIDERS went on an overnight campout on the Canadian River last week end. Hosting the campout was the Valley de Oro Gold Riders Club.

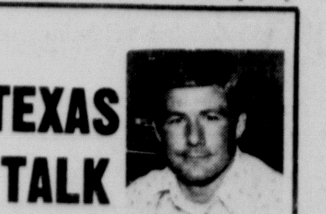

Saturday afternoon, the campers went on a five mile trail ride on the Canadian. On Sunday they participated in an open play day.

David Lindley of the Buffalo Club, won a trophy for high point Intermediate Boy and Larry Wynn, also from the Buffalo Club, won a trophy for having the best overall time in the ring race. Other club members won several ribbons.

BEST WISHES AND congratulations to Mr. and Mrs. Andy Wilhelm, who were married last Saturday evening in St. Mary's Church in Umbarger.

KATHLEEN AND THERESA Hughes left by plane this morning for their home in Phoenix, Arizona. They have been visiting their grandparents, the Henry Brachts, and other relatives for several weeks.

IF YOU WANT to see a pretty

By Tom Lytle

TEXAS TALK
 Newcomer to the crowd is the Zapper. The "crowd" is the continuing deluge of technological innovations being utilized by the American farmer. Among the observable effects of this wave of modernity are the following: the new commercial cotton flour processing plant at Lubbock, soybean cheese experiments at Iowa State University, new hybrid wheat developments, new farm equipment ... and the Zapper. Testing is continuing, but the initial results are interesting if not down right exciting for the most unique system of weed control since the hoe. Emitting a high energy microwave transmission directly into the soil ... or Zapping it ... has proven in a variety of tests to be an effective control device for weeds. All the side effects seem to be beneficial. First there are no harmful environmental factors and those involved in testing the zapper report a definite improvement in crop performance in the zapped soil. Welcome to the crowd, Zapper.

WTSU Professor To Attend Clinic

Dr. John McNeill, acting head of the Animal Science Department at West Texas State University, will be attending the American Angus Association Judges Certification Clinic July 31-August 8 in Louisville, Kentucky.

The clinic for certification of national judges will reconfirm Dr. McNeill's status in this capacity. He judges 10 to 12 shows a year nationwide.

Approximately 80 people will participate in the clinic to be held in conjunction with the National Angus Futurity.

Dr. McNeill obtained a bachelor's degree in animal science and a master's in animal nutrition from Texas A&M and a doctorate from University of Kentucky. He serves as assistant professor of animal science as well as acting head of that department at West Texas State University.

Families Enjoy Summer Campouts

By KAROLYN FARMER

PARDON MY SENTIMENTALITY, but it really is a "Big, wide, wonderful world we live in." And whether it's the Roy Cates clan camping in California or the Kyle Farmer family traveling through Texas, there's lots to see and do and enjoy in our great country and state.

ROY AND SHERRIE Cates, along with Jeff, Ken and Greg, really did it up big this summer. They were gone from Amarillo for 17 days and managed to put 4,135 miles on their blue station wagon.

The Cates headed west with their trusty camper in tow. After spending the first night at Blue Water State Park in New Mexico, they next stopped at Lake Havasu City, Arizona where they visited the London Bridge and the miniature English village. Sherrie recommends going there in the winter — the low temperature that night was 86 degrees.

Roy, Sherrie and the boys visited the Sequoyah National Forest, which Sherrie described as "unbelievably gorgeous." They also enjoyed the regal beauty of Yosemite National Park. While at Yosemite the boys encountered a bear who came right up to their car, and they swam in the pool at the base of Bridal Veil Falls.

The Cates spent two nights at the home of their son, Nobie, in San Jose, Calif. Nobie is stationed at Moffitt Field and will be leaving for Japan in October.

They "had a ball" at the flea market in San Jose and visited Moffitt Field where they toured the airplane on which Nobie is a sonar radar operator.

After a few days' rest, the entire bunch boarded the rapid transit system BART and went to San Francisco for a quick day of sightseeing. They rode the trolley cars, visited the Golden Gate Bridge, Fisherman's Wharf and Chinatown, and returned that evening to San Jose.

Sherrie said it was doubly hard leaving San Jose because they were leaving two of their sons behind. Jeff will be living with Nobie and working there in California as a manager trainee for McDonald's.

One of the "low spots" in the Cates' trip was their drive on the Hollywood Freeway. Sherrie told me that at 3:00 in the morning the traffic was still bumper to bumper.

Disneyland was the next stop on the agenda. A special thrill there was dancing to the music of the Harry James Orchestra. And, of course Roy took a picture of Harry James.

The trip home included visiting the Grand Canyon and a stopover in Albuquerque and "Old Town."

Sherrie said that the contrast and the beauty of the mountains, trees, deserts and the ocean served as a very real reminder to their family that we have a truly great heritage — and that "America the Beautiful"

really is just that.

LAST WEEK WAS also the Farmer family's turn to get away from it all. We, too, took a trusty camper and toured the "wilds" of South Texas. (We had all five of our children along, and believe me, it was pretty wild!)

The first night we camped at Lake Champion and were caught in the middle of a terrific thunderstorm. The wind blew so hard that I thought we were going to turn over. And the poor little camper was soaked both inside and out by the time morning came. We later found out there had been a tornado in nearby Abilene that night.

Well, the rest of the trip had to get better — and it did. We stayed two nights in San Marcos where we visited Aquarena (a really beautiful place) and the kids swam in the river.

In Austin we went to the State Capital and the Lyndon Johnson Library, which is extremely interesting and educational.

Then we went on to San Antonio where we took a boat ride on the picturesque river and went up in the Tower of Americas.

There are so many exciting and beautiful things to see in our own state — and it sure is a long ways in between all of them.

SUZANNE AND ADREN Cunningham are the proud parents of a new baby girl, Jennifer Suzanne. She was born at High Plains Baptist Hospital on Saturday, July 26th and weighed 7 pounds, 12 ounces. Billy and Jody are her equally proud brothers.

The Cunninghams moved from the Gene Howe area to Sayre, Oklahoma last year.

MRS. LUTHER (BRENDA) Lawless's mother, Mrs. Coburn, of Mt. Pleasant recently visited in the Lawless home. Brenda's recent hospitalization has caused her to take a "recess" from her studies. However, her family is very proud of the fact that Brenda was listed on the President's Honor Roll for the spring semester at WT.

Luther Lawless's brother-in-law, Linton Creel, is now in St. Anthony's Hospital. Luther's sister, Gloria Creel, and her daughter Shannon are staying with the Lawless's.

The Creels are from Hobbs, New Mexico where Mrs. Creel teaches special reading at the elementary school.

THE 2ND GRADE T-ball team held their family picnic and enjoyed a lot of homemade ice cream last week. Trophies were given to each of the boys by their coaches.

The boys on the team also presented Coach Royal Yarbrough and Coach Billy Edwards with desk sets and softballs signed by each team member.

Both coaches were really proud of their team this year and are especially appreciative of the good support given by the parents.

MARGIE AND MIKE Dworack were recent hosts to Margie's mother, Mrs. Arlene Bardon of Burlington, Iowa. Laura Dworack returned on the flight to Iowa to spend a few

weeks with her grandmother.

SEVERAL MEMBERS OF Pack 130 took part in Cub Country at Camp Don Harrington last Saturday. The boys participated in many activities, including fishing and swimming. Representing Pack 130 were David Ashley, Curtis Boren, Mike Celey, Todd Coldiron, Kem Coldiron, Kevin Erdman, Gary Glenn, Greg Cates, Glenn Moore, Scott Kozak, Kevin Wait, Todd Wilcox, Ronnie Jensen and Royal Yarbrough.

The mothers attending were Mary Jensen and Sandy Kozak.

MRS. EURIS (NELL) Phipps, along with Jim and Jan, flew to California on July 18th to spend a week with Nell's cousin, Mr. Beryl Ledbetter and his family in Huntington Beach.

Mrs. Ledbetter is originally from Malaya and the Phipps's were treated to authentic oriental cooking which they ate with chopsticks.

Some of the high points of the trip were driving through Beverly Hills where they saw the homes of Elvis Presley and Danny Thomas, and a visit to the wax museum in Buena Park.

Nell, Jim and Jan also spent a day at Universal Studios. There they saw Lucille Ball's dressing room and an animal act starring "Fred," the cockatoo on the TV show "Baretta."

The Phipps's saw many of the other local attractions, including the ship "The Queen Mary" and Grauman's Theatre. Nell said that the children especially enjoyed swimming in the Pacific Ocean and visiting Disneyland.

SHEILA AND JOHN Hicks competed in the Jr. Olympic Long Course Meet held at the WT pool this past week end. Sheila's relay team placed first in the 400 medley relay, qualifying them for the Texas Age Group Swim Meet at WT on August 15th, 16th, and 17th.

That meet is the Long Course Championship Swim for the entire state and the public is invited to attend.

John Hicks' relay team placed second in both the 200 Free and the 200 Medley in last week end's swim meet.

ROYAL AND CHRIS Yarbrough, Robin, Melinda, Royal and Stephanie spent several days last week at Six Flags. Also accompanying them on the trip were Aron, Glen and Kale Yarbrough, who are the children of Royal's brother Ross, and Celeste Harmon who is Chris's niece.

ALSO AMONG THE Gene Howe area kids who have attended Hidden Falls Ranch Camp at Wayside this summer are Timma and Lori Thomas, Mary Mack and Stacy Howard.

CINDY POLSON AND John Pervola were united in marriage on Friday, July 25th. The wedding took place in the home of Gwen and Edgar Sellers and the vows were read by Judge W. W. Hancock.

Denise Polson and Melissa Polson, both sisters of the bride, were bridal attendants.

David Pervola served as his brother's best man, and Danny Sellers was groomsmen. The bride graduated from the American School of Mallorca, Spain where she was salutatorian of her graduating class. Her husband is also a graduate of the American School of Mallorca, Spain and was valedictorian of his class.

Both Cindy and John plan to attend Purdue University in Indiana this fall.

Mr. and Mrs. E. B. (Buddy) Polson of Bilboa, Spain are parents of the bride. The bride-

groom is the son of Mrs. Terry Pervola of Morgantown, West Virginia and Mr. John Louis Pervola of Monrovia, Liberia.

Among members of the bride's family who were present at the wedding ceremony were Mr. and Mrs. E. B. (Buddy) Polson, Denise, Melissa, Nicky, Monica, Jack, Mike and Mark, all of Bilboa, Spain.

Mr. Polson is the brother of Mrs. Edgar Sellers and is the managing director of Cabot Corporation.

Also attending were Mr. and Mrs. R. A. (Dickie) Polson, Dal and Robin, who have been living in Anaco, Venezuela and will soon be moving to Saudi Arabia. Dickie Polson is also a brother of Gwen Sellers and is employed by Dowell Oil Company.

The bridegroom's mother, Mrs. Terry Pervola and his grandmother, Mrs. Virginia Poling of Morgantown, West Virginia were also in attendance.

Other wedding guests included Mr. and Mrs. Dick Sawdey of Brazil, who are friends of the Polson family.

Cindy and John came to America from Liberia where they spent two weeks visiting with John's father, Mr. John Louis Pervola. While in Liberia the couple was honored with a wedding shower and an engagement party.

OTHER MEMBERS OF Gwen Sellers' family who are expected to arrive this week end are Mr. and Mrs. Lee Miller, Sherry, Derek and Jason of Houston, Texas. Mrs. Miller is the sister of Gwen Sellers. Joey Miller has been staying in the Sellers home this summer.

Mr. and Mrs. Danny Spencer, Chris and Shannon of Lafayette, Louisiana are expected to arrive this Friday, as are Mr. and Mrs. Cordell Pugh, Cathy Dale, Vickie, Tammy, Kelly and Kippy and their grandson Richie of Phoenix, Arizona.

Both Mrs. Spencer and Mrs. Pugh are sisters of Gwen Sellers.

BRENDA SELLERS, DAUGHTER of Edgar and Gwen, and a recent graduate of CHS, will be enrolled this fall at Amarillo College where she will pursue a legal secretary course.

THE 4TH GRADE girls softball team, coached by Teresa Davis, won the Kids, Inc. tournament for their grade level. They defeated South Lawn by 18 to 16 in their first game. Hitting home runs in that game were Tammy Wilcox, Shelley Jobe and Pam Leyendecker. The girls won their second game against Bivins by a score of 22 to 4.

Coach Davis reports that she is very proud of the fact that each of the girls on the team hit at least one home run during the season.

To celebrate their accomplishment the team all went to McDonald's for hamburgers and then later honored their coach with a swimming party at the Siesta Park pool. They also presented Teresa with a trophy.

THE FIRST ANNUAL Lake Tanglewood Midnight Bass Championship was held in that community last week end. Boyd Hinton, chairman of the event, reported that 1st Place for the biggest catch was won by Bert Thomas; 2nd Place went to Jim McKenzie; and 3rd Place was won by Doss Dupuis.

Doss Dupuis also won the prize for the biggest bass caught during the event.

THE 4TH GRADE boys softball team, coached by Larry Brooks, won the Tournament Championship for their league. They won their first game against Whittier by a score of 37 to 17. Hitting home runs in that

game were Michael Ray with 3 home runs, Dwayne Hollis, 2, and Dale Whitehead, Chris Poole, Mike Morgan and Kevin Smith with 1 home run each.

The boys also defeated the team from Margaret Wills by a score of 19 to 4. Dwayne Hollis hit 3 home runs, Chris Poole hit 2 and Allen Gwyn hit 1 home run in that game.

THE 5TH GRADE girls team celebrated the end of their softball season with an ice cream supper at the Gene Howe field. The girls played a game against their mothers and kept their record clean by winning that one, too.

Coach Euris Phipps presented trophies to each of the girls on the team. He was also given a trophy signifying the fact that his team won the City Championship.

Nell Phipps said that one incident did put a damper on their fun. While the girls and mothers were playing their ball game, someone turned on the sprinkler system, thoroughly soaking both players and spectators.

TROYCE AND GUY Mulherin, Marty and Kaki spent last week in their "usual vacation spot." The Mulherins have a trailer at Red River, N. M. where they spend many a restful hour.

Besides riding their cycles and fishing, the Mulherin family also took a Jeep ride in the mountains. They visited an old mine and Marty and Kaki picked up a little gold (unfortunately for Mom and Dad, it wasn't the real thing).

Marty also managed to land a 15 inch trout on this trip.

LINDA THOMAS is busy these days putting up jars of wild plum jelly, etc. The Thomas's made a trip back to their home town of Stinnett and brought back a big load of wild plums. They also have a huge garden this year to help keep the family busy.

AND SPEAKING OF keeping busy, do you realize we've only got a little over two weeks to buy school clothes, supplies, etc. I think I'll just iron some patches on last year's jeans and forget about it until at least October.

Former "TEXAS"

Cast Member Is

Now 'Lil Abner'

A former "TEXAS" cast member is filling the bill as L'il Abner in the musical of that name, at another outdoor theatre production. Rodney Miller plays the lead role in the Al Capp production at the J. Dan Talbott Amphitheatre in Bardstown, Kentucky on August 4, 11, and 18.

Mr. Miller was with the "TEXAS" cast for four years. He is presently studying opera at Indiana University. He is also appearing in THE STEPHAN FOSTER STORY at the Bardstown amphitheatre, another outdoor opera by Paul Green, and understudying the lead.

Senior Citizens

Will Vote Tonite

Canyon Senior Citizens will vote tonight, July 31, on the remodelling proposals set forth by the building committee for remodelling the building at 1719 5th Avenue as a Senior Citizens Building.

The vote will be conducted with E. R. Dutch Cleavinger, chairman, presiding at the meeting and will follow an open house type discussion held Wednesday for all senior citizens to meet and view on sight plans of the project with the building committee.

Votes will be tabulated during the weekly 7 p.m. covered dish supper shared by Senior Citizens at Canyon Community Center. Fellowship and games will follow the business and supper.

Wedding Gifts Are Presented

Cynthia Richardson, bride-elect of Bill Frank Byrd, was the honoree at a miscellaneous bridal shower held Tuesday evening in the home of Mrs. Manly Bryan at No. 2 Bramblewood Lane, Canyon.

Receiving guests with the honoree and hostess were Mrs. Eugene Richardson of White Deer, mother of the bride-elect, and Mrs. J. D. Byrd of Canyon, mother of the prospective bridegroom.

A candlelight lace cloth covered the serving table which was decorated in the bride-elect's chosen colors of mint green and white with a daisy mum bouquet. guests were registered by Abbejane White.

Co-hostesses included Miss Lee Hicks and Mesdames Claud Zevely, T. H. Lair, Bob Lindsey, William B. Davis, Jay Bryan, Paige Carruth, R. D. Killingsworth, James Murphy White, John Jeter, George Allen, Harold Erwin and Jerry Jacobs.

Gene Howe fifth grade girls took the city championship with a 14 win - no loss season this summer under Coach Euris Phipps. Team members include, from left, front, Devon Marshall, Melissa Merritt, Leslie

Martindale, Jeanna McDonald and Susan McNett, and back row, from left, Susan Paetzold, Melinda Yarbrough, Denise Tennison, Teresa Polvadore, Jan Phipps and Judy Nazum.

Anniversary Event Scheduled

Mr. and Mrs. Glenn A. Costley will be honored with a reception Sunday, August 3, in observance of their 50th wedding anniversary.

The reception will be held at Canyon Community Center from 2-5 p.m. with their children, Mr. and Mrs. Bob Gatten, Mr. and Mrs. Calvin Costley, Mr. and

Mrs. Bob Costley and Jerry Costley, as host and hostesses at the occasion. The honored couple's grandchildren will assist with the reception.

The former Grace Barnett and Glenn A. Costley were married August 5, 1925 in Amarillo with Brother Toote officiating at cere-

monies held in the minister's home.

Mrs. Costley taught school at Flint, Texas when the couple married and they lived at Clarendon for the first four years of marriage, where they owned and operated a garage.

The Costleys moved from Clarendon to the farm north of Canyon, where Mr. Costley had been born, and have lived there for the past 46 years where he has been engaged in farming.

Wedding Gifts Are Presented

Miss Mary Longorio and her fiancé, Dwight Brandt, received guests at a miscellaneous wedding shower held Sunday afternoon from 2-4 p.m. in the home of Mrs. Andrew Lindemann at Umbarger.

Miss Longorio and her fiancé are making plans for marriage vows to be exchanged in an August 16 ceremony.

The bride-elect's color scheme of light orange was used in the floral centerpiece and for cor-

sages with a hand crocheted tablecloth made by the mother of the prospective bridegroom, Mrs. Jack Brandt, gracing the serving table.

Mrs. Brandt received guests with the honored couple and hostess. Co-hostesses included Mesdames Paul Ferguson, Tom Payne, Jim Skarke, Dennis Brandt, A. R. Friemel, Vincent Meyer and Joe Albracht.

Hospital Auxiliary

To Meet In August

Palo Duro Hospital Auxiliary will meet August 11 for election of officers and to welcome new volunteer members.

The meeting will be at 1:30 p.m. in the conference room of Palo Duro Hospital.

Summer Ending For Kids

By DORIS MCKEE
TIME IS REALLY flying by and that time that the kids hate to hear about will soon be upon us.
So all you kids had better begin to wind up some of that summer activity and start preparing for the old ding dong school bell to start ringing.

SEEMS PEOPLE ARE really getting with those vegetable gardens and trying to get everything they can put into jars for the winter.
I have been working at it some. I have made beet pickles and canned a couple other vegetables so far. Of course, we do enjoy them fresh now also.

CHARLES AND CLARICE Heglin had some week end guests a few weeks back. Charles' nephew, Bill Bennett and family of Anaheim, California visited a few days.
Also, for the past couple of weeks they have had their granddaughter, Carla Heglin, who lives in La Fayette, Louisiana here visiting. Carla is five years old and is such a big, little girl she flew from Houston to Amarillo all by herself!
Clarice said they are truly enjoying having her visit them.

TALKED TO RAYLENE Qualls a few days ago. She, Paul, Paul, Jr., Guy and Jamie went over to Friona to see Paul's folks Mr. and Mrs. Dave Qualls recently. They had an enjoyable week end.

OH YES, WE let another birthday slip by, so here we are with belated wishes for Chad Padgett who celebrated on July 24th.

WAS TALKING TO Jean Mayfield a few days back. She puts a lot of time into her garden. She and Phil are also building a back porch, so they can sit out and relax.

KATHY, IRA, KIRA, Tina and Lisa Burgan took a few days recently and made a trip south and east.
They took in Six Flags one day and Kathy said they had a lovely time. Not much waiting on rides and also the weather was very good.
They also made a trip to Lake of the Pines, to see Jimmy and Cherry Carter and family. The Carters are ex-park residents. If you are wondering where Lake of the Pines is, well it's about 60 miles south of Texarkana. Kathy said they enjoyed their trip very much.

WE WOULD LIKE to welcome Mr. and Mrs. Ed Rebeand and family to Siesta. They have moved in at 121 Siesta Lane. We hope all of you will like it here.

OVER IN OWNERSVILLE, we want to extend a big welcome to Mr. and Mrs. Rex Gore. They have really put a lot of work into

Revival Begins At City Church

Don Brankel, an evangelist since age 12, will be in Canyon at the First Assembly of God Church for revival services through Sunday, August 3.
Evangelist Brankel pastored his first church at the age of 15 and preached his first camp meeting during this time. He closed his fifth camp meeting in Lubbock on July 29 and the first services of the revival here were held Wednesday evening, July 30.

The local church choir will present the musical services and service times are 7:30 p.m. this evening and Friday with Sunday morning worship at 11 a.m. Local residents are invited to attend the services by A. J. Pettit, local pastor.

Army Reservist Completes Course

Army Reserve Major Bobby J. Byrd, of Canyon, completed Part II of a staff officer course at the U. S. Army Command and General Staff College here.
The course on command and general staff functions is divided into resident and nonresident studies.
Major Byrd is a teacher and a coach with the Canyon Independent School District. He and his wife, Carolyn, live at 1415 Margaret Drive.

their lot at 150 Plaza Lane.
LAST WEEK END I had an unexpected visit from a friend. Joan and Mike Barnett paid DeAnn and I a visit. We enjoyed an afternoon of talking while the kids got in a lot of play.

ERNIE AND DOROTHY Robertson have had guests recently. Seems Ernie's folks Mr. and Mrs. Neils Robertson from Higgins, Texas visited a few days.

Last week end Dorothy's folks Mr. and Mrs. Jim McMath of Albuquerque, N.M. were here and Mr. and Mrs. Keith Milhoan (Dorothy's sister) of Amarillo came out.

Mr. and Mrs. McMath brought Roger home from about a three week trip. Seems Roger and his grand dad, Jim McMath took a

trip out to California to do a little visiting.

Roger said their first stop was to visit one of his grand dads sister's in Hills Buro, New Mexico. Then they proceeded on to Beaumont, California and spent some time with Lois (another sister) and Earl Laird. After a few days they all went to Marysville to the home of yet another of Jim's sisters, Mildred.

Here Roger and his grand dad were able to attend the anniversary celebration of Lois and Earl's 50th and of Mildred and her husband's 38th anniversaries. Roger said it was a real nice celebration.

He said they did some sight-seeing and Knox Berry Farms, he really enjoyed. All in all, he was gone almost three weeks and will remember the trip for a long time to come.
THERE ARE LOTS of good and bad jokes about women drivers, but this one was very cute, I think.
A woman angrily jumped out of her car after a collision with another car. "Why don't you people ever watch where you're

driving," she shouted wildly. "you're the fourth car I've hit today!"

JUST A REMINDER that the Lamont Drive Baptist Bus picks up anyone, who would like to go each Sunday morning at 9:00 a.m. at the recreation building.

GUESS I MUST sign off for now, but will be here next week with the latest from out our way, so Keep On Reading.
Thought for this week, "An onion a day, will keep everyone away."
See ya.

90th Birthday Celebrated By Mrs. Adams

Four generations were represented at a birthday party Saturday honoring Mrs. J. M. (Fay) Adams which was held at La Casa Canyon Nursing Home.

Buffalo Food Store until his retirement in 1958. He died in 1965.

She has two daughters, Mrs. G. J. Bonds, Sr. of Bentonville, Arkansas and Mrs. C. F. Hollabaugh of Canyon, a son, J. R. Simpson of Waco, and a stepson, Terry Adams of New Braunfels, Texas.

by her daughter, Mrs. C. F. Hollabaugh, was served with punch to the honoree and her friends at La Casa Canyon along with family members present including: Mr. and Mrs. C. F. Hollabaugh of Canyon, Mr. and Mrs. G. J. Bonds, Sr. of Bentonville, Arkansas, Mr. and Mrs. Carl Hollabaugh, Scott and Lori, and Mr. and Mrs. Eugene Bonds.

Mrs. J. M. (Fay) Adams at her 90th birthday was joined by her daughter, Mrs. C. F. Hollabaugh, and grandson, Carl Hollabaugh, and her great grandchildren, Lori and Scott Hollabaugh.
